Abstracts may be selected for oral presentation unless the presenter indicates otherwise above. All presenters are allowed **ONE PAGE**. The left and right margins must be 2 cm; the top and the bottom margins must be 3 and 2 cm respectively.

Results: The manuscript is to be typed using "Times New Roman". The size for the title is 12pt. All the other parts of the text are typed using 10pt. The title is centered and boldface. The spacing between the lines is one (single spacing). The title must be centered between the margins. Leave one blank line between the centered title and the centered author names. Follow immediately below, and on a separate line, with affiliation. Leave two blank lines before starting the text.

Conclusion: Structured abstracts are mandatory. The abstracts should state clearly the Background/aims, Methods, Results and Conclusions of the study.
