

Thursday 19 April 2012 (SASP addendum)

08:00-09:30 Registration and coffee

09:30-11:00 Opening ceremony

Chairs: *Ole K. Andersen* and *Nanna B. Finnerup*

09:30-09:35 Welcome

Ole K. Andersen and *Nanna B. Finnerup* (SASP), *Lone Nikolajsen* (DPS)

09:35-09:45 SASP

Torsten Gordh, President of SASP (Sweden)

09:45-09:55 DPS

Lone Nikolajsen, President of DPS (Denmark)

09:55-10:05 IASP

Eija Kalso, President of IASP (Finland)

10:05-10:15 Scand J Pain

Harald Breivik, Editor in Chief (Norway)

10:15-11:00 **The "pain matrix" reloaded**

Giandomenico Iannetti (UK)

11:00-11:30 Break and exhibition

11:30-13:00 Pain and comorbidities in animals

Chairs: *Camilla Svensson* (Sweden) and *Anne-Marie Heegaard* (Denmark)

11:30-12:00 Endpoints in animal pain models

Andrew S.C. Rice (UK)

12:00-12:30 Evaluating pain-related behavior in spinal cord injury

Cathrine Baastrup (Denmark)

12:30-13:00 The role of amygdala in sensory and emotional pain-related behavior

Antti Pertovaara (Finland)

13:00-14:00 Lunch

14:00-15:30 Free papers

Chairs: *Torsten Gordh* (Sweden) and *Sigridur Gunnarsdóttir* (Iceland)

Christina Brock (Denmark), *Pierpaolo Di Giminiani* (Denmark), *Maria B. Olsen*

(Norway), *José A. Biurrun Manresa* (Denmark), *Gunnar L. Olsson* (Sweden),

Christian B. Vægter (Denmark)

15:30-16:30 Break and exhibition

Poster session 1

Chairs: *Camilla Svensson* (Sweden), *Gísli Vigfússon* (Iceland),

Antti Pertovaara (Finland), *Anne-Marie Heegaard* (Denmark)

16:30-18:00 Experimental pain – a translational approach

Chairs: *Anne-Marie Heegaard* (Denmark) and *Ole K. Andersen* (Denmark)

16:30-17:00 Peripheral and central pain mechanisms – from animal models to clinical research

Johannes Gjerstad (Norway)

17:00-17:30 Human experimental models of central sensitization - do they bridge the gap between animal models and clinical observations

Ole K. Andersen (Denmark)

17:30-18:00 Assessment of central sensitization in the clinic. Is it possible?

Per Hansson (Sweden)

19:00-20:15 Welcome reception at the Concert Hall

Friday 20 April 2012

07:30-09:00 Registration

08:00-08:45 Sponsored symposium / Allergan

Botulinum Toxin A and chronic migraine

Chair: *Eija Kalso* (Finland)

The effect of botulinum toxin A on pain transduction and sensitization

Lars Arendt-Nielsen (Denmark)

Comorbidities in chronic migraine

Astrid Gendolla (Germany)

09:00-10:30 Headache and orofacial pain

Chairs: *Cecilie Røe* (Norway) and *Helge Kasch* (Denmark)

09:00-09:20 Migraine neurobiology and treatment

Messoud Ashina (Denmark)

09:20-09:40 Chronic headaches - goals and obstacles

Rigmor Jensen (Denmark)

09:40-10:00 Trigeminal Neuralgia and other cranial neuralgias

Lars Bendtsen (Denmark)

10:00-10:20 Temporomandibular disorder: pathophysiology and diagnosis

Peter Svensson (Denmark)

10:20-10:30 Panel discussion

10:30-11:00 Break and exhibition

11:00-12:00 Clinical pain conditions

Chairs: *Henrik Madsen* (Denmark) and *Gísli Vigfússon* (Iceland)

11:00-11:30 Free papers

Simon Haroutiunian (Denmark) and *Sigríður Zoëga* (Iceland)

11:30-12:00 HIV neuropathy

Andrew S.C. Rice (UK)

12:00-13:00 Lunch

13:00-14:00 Keynote: Neuronal and glial signalling in pain neuroplasticity

Michael W. Salter (Canada)

14:00-15:00 Break and exhibition

Poster session 2

Chairs: *Sigríður Gunnarsdóttir* (Iceland), *Vesa Kontinen* (Finland),
Cecilie Røe (Norway), *Henrik Madsen* (Denmark)

15:00-16:30 Neuropathic pain – from guidelines to clinical practice

Chairs: *Audun Stubhaug* (Norway) and *Nanna B. Finnerup* (Denmark)

15:00-15:30 Diagnosis, classification and treatment of neuropathic pain

Nanna B. Finnerup (Denmark)

15:30-15:50 Clinical case

Per Hansson (Sweden)

15:50-16:10 Clinical case

Troels S. Jensen (Denmark)

16:10-16:30 Panel discussion

Per Hansson, Troels S. Jensen, Nanna B. Finnerup

16:45-17:30 Sponsored symposium / Norpharma

The differences between opioids and how to handle the challenges of opioid induced bowel dysfunction

Asbjørn Mohr Drewes (Denmark)

19:00- Conference dinner with entertainment and dance. Abstract prizes

Saturday 21 April 2012

08:30-10:00 **Postoperative pain**

Chair: *Lone Nikolajsen*, Denmark

08:30-09:00 What's the evidence – and how to use it?

Ole Mathiesen (Denmark)

09:00-09:30 NSAIDs in postoperative pain

Vesa Kontinen (Finland)

09:30-10:00 How should we prevent persistent postoperative pain?

Audun Stubhaug (Norway)

10:00-10:30 **Break and exhibition**

10:30-11:15 **Sponsored symposium / Grünenthal**

MOR-NRI – More than Meets the Eye. Tapentadol for the treatment of severe chronic pain

Translating animal data into humans

Lars Arendt-Nielsen (Denmark)

The role of descending pain pathways in chronic pain management

Anthony Dickenson (UK)

11:30-12:15 **General Assembly SASP**

12:15-13:00 **Lunch**

Danish Pain Society addendum

11:30-12:00 **Opioids: Genetics and receptors**

Sam H. Ahmedzai (UK)

12:15-13:00 **Lunch**

13:00-14:30 **Chronic pain**

13:00-13:30 Chronic pain and sleep disorders

Poul Jennum (Denmark)

13:30-14:00 Population-based studies on chronic pain: the role of opioids

Per Sjøgren (Denmark)

14:00-14:30 Acceptance Commitment Therapy

Camilla Grønlund (Denmark)

14:30-15:30 **Generalforsamling, Dansk Smerteforum**
